2015/2016 SECURED ASSESSMENT ROLL

DOUGLAS COUNTY, NEVADA DOUGLAS W. SONNEMANN, ASSESSOR

Special note: The 2005 Legislature passed property tax relief due to the extreme increase in market values at that time. The legislation provides that property taxes for owner occupied primary residences and low cost rentals cannot increase more than 3% per year; and all other property not more than 8% per year. This percentage is applied to taxes paid from the previous year and not to assessed values. Many homeowners are paying taxes based on older and lower assessed values, such that fluctuations in current assessed values will not necessarily have an affect on their tax bills. Due to the caps implemented by the 2005 Legislature, tax bills received next July may increase by the 3 or 8 percent caps due to the values established in prior and current years. Assessed values generally have risen from 5 to 10% for the 2015/16 roll. Property taxes will likely be increasing by the cap factor due to the changes in rates and values that have occurred over the last several years. Most areas in this reappraisal will see some value increases due to improving market conditions. Exceptions to the property tax cap are made for new construction and new parcels. These parcels are not capped during the year of their initial valuation. If you have a question on which property tax cap applies to your property(s), please call our office.

Nevada Revised Statute (NRS) 361.300 requires a list of all taxpayers' secured property and their total valuation be published in the newspaper prior to January 1 of each year. In addition, an assessment notice was recently mailed to each property owner comparing values with those of the prior tax year.

The valuation of unsecured property, e.g., mobile homes, aircraft, commercial personal property, etc., is developed throughout the year and, therefore, does not appear here. The Nevada Department of Taxation does the billing, collection and distribution of all taxes for inter-county properties that do not appear here.

QUESTIONS AND ANSWERS ABOUT YOUR ASSESSMENT

What is the role of the Assessor's Office? The Assessor's Office discovers all taxable property and determines its taxable value for tax purposes in accordance with Nevada Law. Per NRS 361.227, the total taxable value must not exceed a property's most probable sale price in a competitive market. NRS 361.225 requires that the assessed value be 35% of the taxable value calculated in accordance with NRS 361.227. We encourage you to visit our office or the Assessor's website at http://assessor.co.douglas.nv.us to compare sales and review your property data.

How is my tax computed? Your assessed value, which is 35% of your total taxable value, is multiplied by your tax district's tax rate to determine the amount of tax due. This amount is reduced by any abatement the property qualifies for under the 2005 tax relief legislation.

How is the value of my property determined? Land value is based on the market value of similar vacant land sales as well as other market information that would indicate a land valuation. The value of the buildings and other items added to the property is based on the replacement cost new less 1-1/2% depreciation per each year of age. Personal property values are based on acquisition cost less depreciation dependent on the life of the asset.

Who determines the tax rates? The Douglas County Commissioners certify each tax district's tax rate in June for the following fiscal tax year. Taxes are due and payable to the County Treasurer.

Why do my taxes change? Taxes change when your tax rate or assessed value changes or due to the abatements passed by the 2005 legislature.

How often can my assessed value change? Starting in 2009/10, all property in Douglas County is reappraised annually. Additional inspections occur when parcels or improvements are either added or changed.

What if I believe the market value of my property is less than the appraised value shown or that my property was assessed differently than comparable property? Contact the Assessor's Office to discuss and receive copies of your appraisal. If you still disagree, the Assessor's Office will give you a form to file with the County Board of Equalization no later than January 15, 2015, for a hearing in February, 2015. Persons who are not satisfied with the County Board of Equalization's decision may file an appeal to the State Board of Equalization no later than March 10, 2015. The State Board of Equalization will not consider appeals that have not first been properly submitted to the County Board of Equalization. Further appeals may be made to the District and Supreme Courts.

What are the installment due dates for the 2015/2016 tax bill?

1st installment due –	August 17, 2015
2nd installment due –	October 5, 2015
3rd installment due –	January 4, 2016
4th installment due –	March 7, 2016

For your convenience property tax payments can be made online at:

There are also drop boxes at the Old Courthouse in Minden and the Administration Building at Lake Tahoe.

Why didn't I receive a Personal Property (Mobile Home, Aircraft, Commercial Business, etc.) tax bill?
If your tax bill amount is less than $15.00 for the fiscal year, the Nevada Tax Commission has determined that you are exempt from taxation per NRS 361.068.

TAX EXEMPTIONS

The State of Nevada offers tax exemptions to eligible surviving spouses, veterans, disabled veterans, and blind individuals.

How much are the exemptions?

The **Surviving spouse** exemption entitles you to $1,280 of assessed valuation deduction for the 2015/16 fiscal year. Conversion into actual cash dollar savings varies depending on the tax rates; currently, it is approximately $42 per fiscal year on real estate or personal property taxes or up to $51 per fiscal year on the basic governmental service tax portion of your motor vehicle registration.

The **Veteran exemption** entitles you to $2,560 of assessed valuation deduction for the 2015/16 fiscal year. Conversion into actual cash dollar savings varies depending on the tax rates; currently, it is approximately $83 per year on real estate or personal property taxes or up to $102 on the basic governmental service tax portion of your motor vehicle registration. Veterans may pay the exemption amount and elect to donate that portion of their payment to the construction and maintenance of a veteran's retirement home.

The **Disabled veteran exemption** amount will depend upon the percentage of permanent service-connected disability.

The 2015/16 fiscal year amounts will be as follows:

60 to 79% disabled - $12,800 assessed value (approx. $416 property or up to $512 vehicle/FY)
80 to 99% disabled - $19,200 assessed value (approx. $624 property or up to $768 vehicle/FY)
100% disabled - $25,600 assessed value (approx. $832 property or up to $1024 vehicle/FY)

The **Blind exemption** entitles you to $3,840 of assessed valuation deduction; currently, it is approximately $125 per fiscal year on real or personal property taxes or up to $153 per fiscal year on the basic governmental service tax portion of your motor vehicle registration.

When should I apply for an exemption? An application to use an exemption on secured (real) property must be made on or before June 15 for the following fiscal tax year. An application to use an exemption on unsecured (personal) property or motor vehicle may be made any time on or before the date the taxes are due.

How do I apply for an exemption?
If you believe you are eligible for an exemption, bring your Nevada Drivers License or Nevada I.D. card and the following documents to the Assessor's Office:

The amount of assessed valuation that is exempt from taxation is pursuant to NRS 361.090, subsection 1.
