1 The required front setback may be reduced down to zero (0) feet for projects fronting on U.S. Highway 395 between the intersections of State Route 88 to the north and the Elges-Waterloo extension to the south, or as otherwise adopted for projects located in a specific plan. (rev. 8-2009) (20) - 134

1a The required front setback may be reduced down to zero(0) feet within non-residential zoning districts within the Town of Genoa, with the exception of properties fronting on the east and west sides of Main Street, south of Nixon Street/Genoa, and north of Carson Street. A minimum 40-foot front yard setback is required for properties located on the west side of Main Street, or a setback consistent with the adjacent or existing structures. A minimum 20-foot setback is required for properties located on the east side of Main Street, or a setback consistent with adjacent or existing structures. The required side, street side, and rear setback within non-residential zoning districts within the Town of Genoa may be reduced as required by the Uniform Building Code.

2 Except as required by the Uniform Building Code.

3 Side and rear yard setbacks shall be a minimum of 15 feet adjacent to a single-family residential district.

4 The maximum Floor Area Ratio shall be 35% for one story buildings and 50% for multi-story buildings. In the MUC zoning district, the maximum Floor Area Ratio may be increased to 75 percent when all other provisions of this title have been met.

5 For parcels adjoining alleys, the yard setback adjoining the alley may be reduced to a minimum of five feet.

6 Minimum net lot area includes all common areas, parking, landscaping and building areas associated with a project for the purposes of creating building envelopes or non-residential condominium units.

7 The height of structures within the MUC zoning district may be increased as provided in chapter 20.664.

8 Existing commercially zoned lots within the Towns of Gardnerville and Minden are exempt, if all other requirements of this title have been met.

20.658.020 Permitted, development permitted, and special use permit uses (Table).

The following list represents those uses, subject to the provisions of this title, in the non-residential districts which are permitted by right (P), subject to design review (D), requires special use permit and design review approval (S), requires approval of a temporary use permit (T), or are prohibited (X). Uses not listed in this table are prohibited.

Note: Italics denote that Specific Standards apply (see chapter 20.668)

Key:

D - Requires design review

S - Requires special use permit and design review

X - Prohibited

P - Permitted by right (may require building permit)

T - Request a temporary use permit

1 Permitted only if located within a GD overlay district. See Chapter 20.685.

2 Sheriff's substations are permitted within the AP zoning district by design review (D).

3 See section 20.664.090 for specific standards.

4 Subject to the provisions of section 20.650.010.C.

5 See chapter 20.668 regarding specific standards for airport uses.

6 Special use permit required for facilities that exceed the maximum height requirement of the applicable zoning district.

7 See chapter 20.664 for specific standards and required zoning permits as dictated by height of structure.

8 Craft Foods or alcoholic beverages (large) are prohibited in the Neighborhood Commercial zoning district.

9 Only a design review is required for Aboveground Utility Projects located within a County adopted Utility Corridor.
