Summer Reading 2017

For babies - 11 year olds

June 1 - July 31

The purpose of the summer reading program is to keep children reading and listening to books throughout the summer months. This is a self-paced program.

- Every time your child reads for 15 minutes, place one sticker per section inside the reading record.
- Each time your child has completed 60 minutes of reading (4 stickers), bring their reading record to the library and your child will receive a prize.
- To complete the program your child will read for a total of 240 minutes (16 stickers). Every child who completes the program will receive a goodie bag, free book, and raffle ticket for a glider ride from the Minden-Tahoe Airport.
- Your child may earn a bonus prize and a second raffle ticket for the grand prize glider ride by completing an additional 60 minutes (4 stickers) of reading.
