DESCRIPTION OF ENTRY: _____

- The library will take a photograph and display your entry in the library.
- The library will post signs discouraging the public from touching LEGO® entries.
- The library will make a reasonable effort to maintain your entry in the condition that it was received. However, LEGO® creations are inherently fragile and public areas are free to diverse populations and roving hands. Special characters (Star Wars, Batman, etc.) are not allowed because they tend to disappear. Please initial your understanding:

_____ I understand that my entry will be displayed in the public area of the library, and I will hold the library harmless in the event that it is altered, or pieces are missing.

_____ I understand that my entry must be picked up by January 31, 2017, or it will be considered a donation.
