**DOUGLAS COUNTY  
NEWS RELEASE**

**Pinenut/Dump Road Reconstruction Project Will Begin May 21, 2018**

*Minden, Nev.* – Douglas County has awarded the Pinenut/Dump Road Reconstruction Project to Sierra Nevada Construction, Inc. (SNC). The projected date to commence construction is May 21, 2018. The project is scheduled to take approximately 10 weeks to complete Dump Road and the cost of construction is \$1,645,712.00. There will be a 3 day closure of the Transfer Station in July which will be noticed to the public a few weeks prior to closing.

For the safety of you, our workers, and your vehicle, please adhere to the traffic control personnel. There is a potential for short traffic delays during various phases of the project with construction flaggers and pilot cars being used to maintain safe traffic flows during construction. Please be patient and time your trips with this in mind.

Other roads slated to be reconstructed this summer include the following:

- Tillman Lane
- Waterloo Lane
- Dresslerville Road

If you have any questions or concerns regarding this project, you may contact the following:

- Emma Crossman, Project Manager – SNC (775) 432-8219
- Jon Erb, Traffic Engineering Manager – Douglas County Public Works (775) 782-6233
