

## Jeanne Koerner RE\MAX Realty Affiliates

Mrs. Koerner and the Koerner Group / RE\MAX Realty have been instrumental in promoting local businesses and students. They gathered donations for gift cards which were distributed to local students in transition who needed assistance in finding shelter and basic supplies while attending high school. They also provided signs for each of the graduating senior this year, putting on a drive through giveaway at Douglas High School to help the seniors celebrate. The Koerner Group also helps small business and non-profits. They visited 35 local businesses with a videographer and took video of the owners and employees dancing in front of the business. They produced a video to share on social media encouraging everyone to support local businesses. And they sponsored (with Guild Mortgage) the 2019 Suicide Prevention Network Jazz Concert and Dinner. They have been a driving force for positive movement in our community.

Congratulations to Jeanne Koerner RE\MAX Realty Affiliates!
