

Douglas County, Nevada
Request for Qualifications For
Professional Services to Support Douglas County
Addendum No. 1

RELEASE DATE: May 31, 2019

Please make the following additions/changes/clarifications to the above referenced Request for Professional Services:

1. SF 330 Section H Additional Information – The County has not requested additional information, so per the SF 330 instructions, Section H may be used to address selection criteria that are not covered by the information provided in Sections A-G. Part I Section H shall be limited to five (5) single sided pages.
2. Can the County provide a description for the Construction Administration service category?
 - a. The County has elected to delete the Construction Administration service category. Construction administration services, if required, may be included in the other service categories. For example, construction administration for a water system infrastructure project may be provided by a firm from the Water Infrastructure Design & Support Services category.
 - b. Replace Exhibit C – Consultant Category Form with the attached revised Exhibit C which eliminates the Construction Administration Services Category.
