DOUGLAS COUNTY NEVADA COMMUNITY DEVELOPMENT BLANKET LETTER OF AUTHORIZATION

This document shall serve as a blanket letter of authorization for the owner to designate official representatives:

_____.

I certify under penalty of perjury that I am the legal owner, or the authorized representative for the legal entity having title to the following property: (list all Assessor Parcel Numbers which apply): _____, and I hereby authorize the persons or entities named above to act on my behalf with respect to all matters necessary to complete the aforementioned project, including executing all necessary documents and attending public hearings. I may choose to replace my representative by filling out a new Blanket Authorization Form and submitting it to the Douglas County Community Development.

I further agree to indemnify and hold Douglas County harmless, along with its employees and agents, from any suit, liability, claims, actions, demands, costs, expenses, attorney fees and causes of action arising from this authorization or the actions of my representative related thereto.

I also declare and certify under penalty of perjury under the laws of the State of Nevada that the information contained in this Blanket Letter of Authorization and the Douglas County Community Development Application is true and correct.

OWNER(s) of RECORD: (Include extra sheets if necessary)

Application Submittal Requirement Description

FOR DOUGLAS COUNTY GENERAL DEVELOPMENT APPLICATION

Note: Upon review of this application, Douglas County may require additional documentation and/or applications.

- 1. Application Form and Application Fee.** The first two pages of the completed Development Application form, including all required information and notarized owner's signatures, plus one digital copy of each required checklist item (see pages 3-4 of the application form) must be submitted along with the appropriate fee. Please review the current [Fee Schedule](#) to determine the correct application fee.
- 2. Not Applicable Letter.** For any item that is required on the submittal requirement checklist, but not included with the application, the applicant shall provide a letter stating the reason for not providing the item.
- 3. Digital Copy of Application Material.** Each item required by the submittal checklist must be included in pdf format. The pdf files must be submitted via email or a file sharing service acceptable to the county. **The pdf files must be flattened and unprotected allowing read/write access by staff. Each required item must be in a separate pdf file and named according to the submittal requirement checklist, e.g. "01. Application Form.pdf".**
- 4. Project Description Justification.** A detailed description of the project is required for all applications and justification as outlined below. For the applications noted below, the applicant shall provide written justification in support addressing the required findings according to the specific Douglas County [Title 20 Code](#) section as follows:

A. Affordable Housing/Density Bonus Agreement:	20.440.050
B. Design Review:	20.614.040
C. Design Review, Minor:	20.614.040
D. Development Agreement:	20.400.040
E. Division of Land into Large Parcels Map:	20.716.040
F. Master Plan Map and Text Amendments:	20.608.040
G. Parcel Map & Subdivision Map:	20.712.060 & 20.708.030
H. Planned Development:	20.676.040
I. Reimbursement Agreement:	20.460.050
J. Single Family Dwelling Design Standard Variance:	20.690.030.Z.13
K. Special Use Permit:	20.604.060
L. Specific Plan:	20.612.050
M. Variance:	20.606.050
N. Variance to Improvement Standards:	20.704.070
O. Waiver to Adequate Public Facility Standards for Roads:	20.712.040
P. Zoning Map/Text Amendments:	20.610.050

If your application type is not listed, please refer back to [Title 20](#).

- 5. Tax Receipt.** Tax assessment receipt showing that all taxes and assessments are paid current as of the date of the application. The receipt must be obtained from the County Treasurer's Office (Ph: 775-782-9017), 1616 8th Street (Courthouse Building), Minden. The Treasurer's Office will require a minimum two (2) days-notice for applications involving five (5) or more parcels of land.
- 6. Title Report.** A Preliminary Title Report for the subject property, prepared within the last 12 months from the application submittal date, which includes a declaration of all easements of record and copies of all easement/declaration instruments referenced. Please be sure to provide the electronic copy of the Title Report, with hyperlinks to the documents, when available.

7. **Will Serve Letters.** Will Serve letters or similar letter from applicable utility purveyor prepared within the last 24 months from the application submittal date. The letter(s) should address the ability of the purveyor to provide service for the subject project. For a Master Plan Map Amendment or Zoning Map Amendment, the letter should address the ability to serve any increase in potential density or intensity of use.
8. **Personal Notification.** Mailing labels, mailing lists, and notification boundary maps must be purchased from [Douglas County GIS](#) (Ph: 775-782-9894) (Title 20.20.030). The following must be submitted for personal notification of the project:
 - A. A current list of property owners, mailing addresses, and APNs for all owners of property within the required radius (see below) of any boundary of the subject parcel(s) as shown on the latest County assessment roll.
 - B. A set of size #10 mailing envelopes (provided by the applicant) containing the property owner's name and mailing address for all properties within the required radius. (**No peel and stick envelopes**). The envelopes must be stamped (not metered) and contain the County's return address:
Douglas County Community Development #34, P.O. Box 218, Minden, NV 89423
 - C. A notification boundary map showing the required radius boundary for property owners to be notified, as shown on the latest tax assessor rolls for the County, on 8-1/2" x 11" paper. This shall include scale, north arrow, and the subject property's relationship to existing roads, with a notification radius per Title 20.20.030 Personal Notice of Public Hearing.
9. **Vicinity Map.** 8-1/2" x 11" size, (digital), at a scale sufficient to locate the proposed project in relationship to the surrounding community. *Note:* Vicinity Maps may be purchased through the [GIS Department](#) (Ph: 775.782.9894).
10. **Site Plan.** 24" x 36" in size, (digital). The intent of the site plan is to show the uses and structures proposed for the parcel. It is recommended that the plan show (at a minimum) the items listed below; however, the more information that the applicant provides will allow for a more thorough design review.
 - A. Name, address, and phone number of developer and/or owner.
 - B. The Assessor's Parcel Number (APN) & address of project.
 - C. Gross and net acreage (after dedications) of property.
 - D. Existing and proposed zoning and master plan designation.
 - E. Gross square footage of existing and proposed structures.
 - F. Floor area ratio. The floor area of structures expressed as percentage of site.
 - G. Square footage of landscaping expressed as a percentage of the parking area and drive aisles.
 - H. Parking analysis. Summarize number of parking spaces required and provided for: covered, handicapped, uncovered, compact, bicycle, and loading zone spaces.
 - I. North arrow.
 - J. Boundaries. Existing and proposed lot lines.
 - K. Easements. Location, dimensions, and type of easements.
 - L. Structures.
 - M. Site access, circulation and parking. Layout of internal driveways, aisles, parking stalls, loading spaces, vehicle ingress and egress to the site, sidewalks, trash enclosures, storage areas.
 - N. Streets - Location and cross-sections of existing and proposed rights-of-way, enriched parkways/medians, left-turn lanes, improvements (sidewalks, curbs, gutters, driveways, and landscaping), all with complete dimensions (on-site and off-site).
 - O. Drainage facilities. Storm water pipes, ponds, major water courses, ditches.
 - P. Utilities - Location of existing and proposed underground and above ground utilities.
11. **Floor Plan and Elevations.**
 - A. Floor plan for each building or building type, showing the following:
 1. Room and area dimensions, including existing rooms and areas adjacent to the proposed construction, and overall dimensions.
 2. The proposed use and gross floor area of all rooms and areas.
 3. Occupant load calculations and Occupancy Classification.
 4. ADA provisions for accessibility.
 5. State whether or not automatic fire sprinkler systems will be used.

- B.** Elevation drawings for all structures, showing the following:
1. All pertinent horizontal and vertical dimensions of existing and proposed structures. Height measurements shall be made from any point of the structure to the natural grade below.
 2. Architectural elevations of each exposure (front, rear, sides):
 3. Show any adjacent structures on street elevation.
 4. Include a composite elevation from street level if multiple buildings are proposed (incorporate the landscaping and structures profile or equipment adjacent to such elevations)
 5. Label each elevation with a directional orientation.
 6. Type of roof, window (reflectivity), and wall materials (finished surface) to be used.
 7. Roof plan showing the direction of roof elements.

12. Conceptual Grading/Drainage Plan. 24" x 36" in size, (digital). The intent of the conceptual grading plan is to show the existing topographic features of the site and the proposed site grading to demonstrate the drainage design concept. The grading plan should be built off the base information found on the conceptual site plan and (at a minimum) the additional items listed below.

- A. Existing topographic contours.
- B. Proposed grading via proposed topographic contours, spot elevations, and flow direction arrows.
- C. Finished Floor elevations of structures.
- D. Existing and Proposed drainage facilities. Culverts, catch basins, ponds, major water courses, ditches, etc.
- E. Existing floodplain.

13. Map Copies. 24" x 36" in size, (digital). Amended and Merger and Re-Subdivision Maps must be drawn per Douglas County Code 20.768 and NRS.

- A. **Boundary Line Adjustment Maps** (Title 20.770) must show the location and distances to relevant property lines being adjusted of all structures, driveways, wells, septic systems, leach fields, utilities, easements, and flood zones. Once the copies of the boundary line adjustment map have been reviewed by the Community Development Department and all required corrections have been made, the original map Mylar with signatures shall be submitted to the Community Development Department. **All abandonment and easement documents must be submitted concurrently with the BLA and box checked on the application for abandonment.**
- B. **Reversion to Acreage Maps or Lot Consolidations** (Title 20.768) must comply with the provisions of NRS 278.490, 278.4955, 278.496 and 278.4965 and contain the same survey dimensions as the previously recorded map. The map must show the lot lines to be consolidated ("deleted") and provide a signature block for the director's approval, plus other signatures required per NRS 278.4955 and 278.4965. Once the reversion to acreage map have been reviewed by the Community Development Department and all required corrections have been made, the original map Mylar with signatures shall be submitted to the Community Development Department.
- C. **Tentative Maps** must comply with Title 20.712 (map requirements for Division of Land into Large Parcels must comply with Title 20.716):
 1. The Community Development Department may waive any of the foregoing tentative map requirements in cases where the map does not necessitate compliance with such requirements or where other circumstances justify such waiver.
 2. A digital copy of the proposed project will be forwarded to the pertinent General Improvement District (GID) or Town, if applicable. It is the applicant's responsibility to submit and pay all review and application fees directly to the pertinent GID or Town.

14. Boundary Line Adjustment and Reversion to Acreage Maps. Title 20.770 & Title 20.768 In addition to any other requirements listed in the previous item, Boundary Line Adjustment and Reversion to Acreage Map application submittals also require:

- A. Survey closure calculations.
- B. Name, address, and phone number of the applicable title company and agent.
- C. The complete boundary line adjustment deed(s) with the written legal description (i.e., metes and bounds) of the new configuration of each affected parcel.

15. **Utility Statements.** The attached Utility Statements for Boundary Line Adjustment Maps and Reversion to Acreage Maps form must be signed by the applicable public utility providers and submitted with the application.
16. **Conceptual Drainage Study.** A conceptual drainage study supporting the conceptual drainage plan shall be prepared in accordance with [DCDCIS Section 6.3.1](#). The report shall be prepared and sealed by a professional engineer licensed in the State of Nevada.
17. **Traffic Engineering Study.** A Traffic Engineering Study is required per [DCDCIS Section 3.11.4.3](#) for any project with 500 or greater average daily trips or 80 peak hour trips. The scope of the analysis shall be confirmed in advance by the County roads department. For projects with fewer trips, a Trip Generation Report is required. The Trip Generation Report shall be based upon the Trip Generation Manual by the Institute of Traffic Engineers and sealed by a professional engineer licensed in the State of Nevada.
18. **Percolation Test.** Where an Individual Sewage Disposal System (ISDS) is the proposed means of sewage disposal, a percolation test for each new parcel shall be performed to confirm the suitability of the existing soil to accommodate an ISDS. Each percolation test shall be prepared in accordance with NAC 444.796.
19. **NDEP Recommendation.** For Tentative Subdivision Maps provide a written recommendation from the Nevada Division of Environmental Protection – Bureau of Water Pollution Control, with regards to sewage disposal. If the project proposes the use of individual septic systems, provide a Septic Radius map. Note that Septic Radius maps may be purchased through the GIS Department (Phone: 775.782.9894).
20. **Road Name Reservation/Approval.** The applicant shall prepare a list of proposed road names within the project for the GIS department to approve and reserve. The list shall be provided in tabular as shown in the example below and include at least one alternative name for each road name required. Please do not submit the road name reservation in advance of the tentative map submittal.

Road #	Preference Letter	Proposed Road Name	Public	Private	For Office Use Only				
					Accepted	Denied	1. Duplication 2. Spelling 3. Phonetic 4. Prefix 5. Road Type 6. Existing Road 7. Needs correction	Comments	Date added to reserve list
1	A	Black Bear Road	X						
1	B	Bear Cub Road	X						
2	A	Mule Deer Road	X						
2	B	Chukar Ridge Road	X						

- A. The table shall be accompanied by a map of the project showing the proposed road layout with each Road # labeled on the map. The map shall include the name of the subdivision.
 - B. Road # within the table shall correspond to the map.
 - C. Preference letter is defined as follows: A = 1st preference, B = 2nd preference. Example: 1A Black Bear Road; 1B Bear Cub Road (both are options for Road 1 with Black Bear Road being the preferred name).
 - D. Road name reservations will expire after two years unless a final plat has been filed.
21. **Notice of Completion.** Prior to recordation of a final map the applicant shall demonstrate all required improvements are installed or secured via of one of the following:
 - A. Notice of Completion issued by the County Engineer.
 - B. Fully executed Security and Deposit Form.
 22. **Tentative Map Approval Letter.** Provide a copy of conditions of approval letter issued by Douglas County with the approval of the tentative map.
 23. **Response Letter.** Provide a letter that includes a detailed response of how each condition of approval has been met. The letter shall be organized to follow the numbering in the conditions of approval letter issued by Douglas

County. The applicant may include attachments with the letter as appropriate.

- 24. Map Amendment Development Plan.** The applicant shall prepare three separate plans (8-1/2" x 11") depicting the following:
- A. Existing Master Plan and/or Zoning designation.
 - B. Proposed Master Plan and/or Zoning designation
 - C. Conceptual lot layout and/or location of proposed structures as may be applicable.
- 25. Legal Description and Exhibit.** A written legal description and exhibit of the subject property, sealed by a surveyor licensed in the State of Nevada.
- 26. Abandonment Packet.**
- A. The following must be submitted with a Road Abandonment:
 1. A petition, addressed to the Board of County Commissioners, supporting the proposed abandonment.
 2. A Preliminary Title Report for each of the affected properties dated within 12 months of the submittal date.
 3. A written legal description and exhibit of the area proposed to be abandoned, sealed by a professional surveyor licensed in the state of Nevada.
 4. A topographic survey of the limits of the abandonment overlain with the area proposed to be abandoned.
 5. A circulation plan indicating how access will be obtained or retained after approval of the abandonment.
 6. A written verification that all public utility or video service providers have approved the abandonment (Utility Signature for Abandonment of Public Utility Easement(s) is included as page 5 of this application).
 7. Any additional supporting documentation to explain and support the petition.
 - B. The following must be submitted with a Public Utility Easement Abandonment:
 1. A written verification that all public utility or video service providers have approved the abandonment (Utility Signature for Abandonment of Public Utility Easement(s) is included as page 5 of this application).
 2. A legal description and exhibit (8-1/2"x11"), prepared and signed by a surveyor licensed in the state of Nevada.
 3. Abandonment form (Completed by the County).
 - C. If the parcel is located within the Tahoe Basin the applicant shall complete and submit a Lot Line Adjustment and Right-of-Way Abandonment Application form to the Tahoe Regional Planning Agency that can be found on the TRPA [website](#).
 - D. If the abandonment includes any publicly maintained infrastructure, the applicant shall include a Declaration of Value Form that can be found on the Douglas County Recorder's [website](#).
 - E. Upon review, Douglas County may require additional material for either the Road or Public Utility Easement Abandonments.
- 27. Off-Site Dedication.** Where the project does not abut a dedicated public right-of-way and/or sewer, water, or access is proposed where no easements/dedications currently exist the applicant shall provide a copy of the off-site easements/dedication plan. The plan must note the APNs of all affected properties.
- 28. Water Rights.** Proof of having completed all the requirements and responsibilities of the Water Rights Relinquishment from the State Engineer, the Water Right Dedication application from the County Engineer, and/or payment of in lieu water rights fees.
- 29. Master Parcel Plan.** A Master Parcel Plan (for serial maps only) showing the proposed roadway alignments, parcel geometrics, and anticipated phasing at the maximum allowable density of the site of all maps on a single sheet.
- 30. Area Study.** Subdivision and circulation area study. The study shall illustrate the integration of the proposed subdivision map with adjacent parcels, including publicly owned and managed property, subdivisions (existing and proposed), and the overall area circulation system.

31. **Town Annexation Packet (Title 18).** Please see [Title 18.01.010](#) Annexation procedures for submittal requirements. After action by the town board, the proposed annexation must be submitted to the board of county commissioners for Douglas County for approval in the form of an ordinance. The board of county commissioners must hear applications for annexation every three months, at its third meeting in January, April, July, and October. Failure to apply to the board of commissioners within six months from the date of final action by the town board shall result in the application being deemed denied.
32. **Sample Card.** A color and materials sample card, no larger than 8-1/2" x 14" in size, containing representative samples of all external colors and materials of construction proposed for use on the project. Colors and materials must be consistent with those shown on the elevations. The card shall also identify the project location, name, and address.
33. **Agreements Packet.** (Title 20.400, 20.440, 20.460) A draft copy of the applicable agreement. An application for a **Development Agreement** should include the following exhibits:
 - A. Property description and owner's interest – metes and bounds;
 - B. Copy of minutes of the Board of Commissioners action approving the tentative map for the project and the specific conditions of approval, if applicable;
 - C. Letter of notification of the Board of Commissions approval, including conditions of approval, if applicable;
 - D. List of subdivision improvements, schedule for completion, and a copy of the County Engineer's approved cost estimate for improvements, if applicable; and
 - E. Development schedule and phasing map.
34. **Original Map Mylar & Final Map.** Original signed (with permanent black ink) Mylar, prepared in accordance with the provisions of the NRS 278.372 and Douglas County Code, including all required revisions as specified in the letter of approval for any applicable Tentative Map and as required by the Engineering Division during final map review.

Final Map (Digital). The digital files must be submitted electronically or on a thumb drive in Shapefiles or DXF/DWG format. Files are to be provided in State Plane (NAD '83, Nevada-West), UTM (NAD 93), or Lat./Long. (WGS-84) projection with a composite of the entire project. All property lines, rights-of-way, easements other than standard utility easements, centerlines shall be shown. Text data shall include street names, lot line bearings and dimensions, lot numbers, and lot sizes. The file is not to include dimensioning arrows, legends, titles, notes, or other information not directly related to project layout. If you are unable to provide the information in this format, a request for service can be made to GIS. There is an hourly service fee for this. Please contact the GIS Department at 775.782.9894 for information.
35. **Recording Fee.** Recording fee payable to the [Douglas County Recorder](#) at the time of recording. Contact the Recorder at 775-782-9025 or check their website for current recording fees.
36. **Affidavit.** An affidavit stating that the person proposing to divide the land, or any successor in interest, will make provision for the payment of the tax imposed by chapter 375 of NRS and for compliance with the disclosure and recording requirements of [subsection 5 of NRS 598.0923](#), if applicable.
37. **Variance to Improvement Standards.** Variance to the improvement standards must be requested in conjunction with the Development application. A petition must be submitted, in writing, stating fully the grounds for the variance and all of the facts relied upon by the applicant. The fee for the variance must be submitted along with the application fee. One variance application and fee may include more than one variance; however, applicants are encouraged to limit the amount of variances requested to the extent possible.
38. **Development Agreement.** For Final Subdivision Maps, a copy of a recorded Development Agreement, if applicable.
39. **Draft Specific Plan.** The draft Specific Plan must incorporate all documents required in Title 20.612.020. One additional copy shall be provided if the project is within a Town boundary. Additional copies shall be supplied prior to the Planning Commission and Board of Commissioners meetings. If a Specific Plan is being amended, provide a full copy of the plan showing all changes. All language being deleted shall be stricken through and all new language shall be underlined. Identify any known hazards or features per Title 20.690.030.Y.5.

- 40. Development Plan.** Please see 20.675 (Mixed-Use) and 20.676 (Planned Development) for details.
- A. Conceptual site plan.
 - B. Site details.
- 41. Development Schedule and Phasing Plan.** A development schedule and phasing plan are required. If the request includes a tentative map, the development schedule must include the dates that each final map will be recorded. The phasing plan shall be an exhibit that shows the location of lots and number of lots to be recorded with each phase. If the request is for a project that does not include a map, the development schedule must include the dates a site improvement permit or building permit must be issued for each phase of the development. The phasing plan shall be an exhibit that shows the location and provides a description of what is to be constructed with each phase. **Note:** The development schedule and phasing plan, if approved by the board, shall become a part of the development plan.
- 42. Irrigation Plan.** 24" x 36" in size, (digital). The applicant shall prepare an irrigation plan that in general complies with Title 20.100.070 and 20.100.08. and at a minimum shows the following items:
- A. Manner, direction and location of where irrigation water enters and exits the proposed development. This includes slope, material, diameter, etc. of conveyances as applicable.
 - B. Existing and proposed easements.
 - C. Source of irrigation.
 - D. Historical irrigation method and practices (e.g.: sprinkler, controlled flooding etc.), if applicable.
 - E. Applicable water right decree/permit/certificate number including status of any pending applications.
- 43. Downstream Water Right Users.** A current list of water right owners for any conveyance ditch users in Douglas County adjacent to or downstream of the proposed project as determined from the list of water rights owners compiled by the Federal Water Master's Office, or for those conveyance facilities not covered by the Alpine Decree from the list of water right owners maintained by the State Engineer shall be provided. The list shall include the following owner information and mailing envelopes:
- A. Name.
 - B. Address.
 - C. Assessor's Parcel Number.
 - D. A set of mailing envelopes (size # 10) containing the property owner's name, mailing address, and APNs downstream water right owners. **(No peel and stick envelopes)** The envelopes must be stamped (not metered) and contain the County's return address:
Douglas County Community Development #34, PO Box 218, Minden, NV 89423.
